Situated on the Mighty Mississippi River, it offers a highly diverse area to live in with a rich history and ever-growing entertainment venues of music, theater, restaurants (best barbeque in the nation lives here!) shopping with excellent schools, both public and private.

Memphis is surrounded by some of the most affluent suburbs in the state; Germantown, Collierville, Piperton, and Olive Branch, MS all of which are easily accessible to our 12 locations via inner-city highways that have undergone extensive expansions and updates to address the city and surrounding areas constant growth.

Memphis is proud to be home to *Shelby Farms Park* which has earned the distinction of being the largest urban park in the entire country, encompassing more than 4,500 acres of land in the heart of Memphis. While it is situated in an urban community, it feels like a respite from busy city life with a resident herd of buffalo, fishing, picnicking, hiking and biking trails, and even horseback riding with a Farmer's Market in the summer.

The *Wolf River Greenway* is adjacent to Shelby Farms and is a 26-mile paved pedestrian pathway that will run all through the city from Germantown to Downtown Memphis on the river.

People come from all over the world to attend our annual month-long *Memphis in May International Festival* located on the riverfront which promotes and celebrates Memphis culture, fosters economic growth, and enhances international awareness through education. It is the host of the **World Championship Barbecue Cooking Contest**, recognized by *USAToday* as the "Most Prestigious Barbecue
